**DEI Information**

Required before final submission.

WCI is committed to addressing disparities and inequities within our organization and through our work. As a result, WCI is attempting to assess ourselves. To do that, we are asking you to provide us information about your organization's make-up. Please answer the questions below to the best of your ability.

Responding to these questions is required as part of the grant application. However, your responses will not affect your eligibility for funding nor the amount of your award. WCI is simply collecting information for the purpose of measuring our effectiveness at serving every person within the region.

If you would like to learn more about diversity measures of the region or your specific geography, we highly encourage visiting the Minnesota State Demographic Center's website: <https://mn.gov/admin/demography/data-by-topic/age-race-ethnicity/>.

Here is a link to diversity, equity and inclusion definitions that you may find helpful: <https://www.wcif.org/dei-definitions.html>.
