have joined forces to strengthen
a shared mission to help
our students receive
a quality education.*

OUR SHARED MISSION

The goal of Breckenridge 846 Education Foundation, in conjunction with Scholarship Breckenridge, is to expand our students' lifelong learning skills through post-secondary scholarships, quality curriculum, and greater access to technology and state-of-the-art equipment.

WE HELP OUR SCHOOLS EXCEL

The foundation funds grants requested by the school faculty that are beyond state and local taxpayer responsibility for basic education. These grants expand opportunities for student success and help our school achieve its mission of *"Breckenridge Pride ... Inspiring to Excel."*

Your donations have made it possible to fund grants

for Sphero robots, drones, interactive flat panels, snowshoes, flexible classroom seating, and so much more.

Fourth grade received three grants in the fall of 2017 for a classroom set of snowshoes for adult volunteers and students, 6 microscopes, and literature circle novel sets. Students have loved using all the resources this year and are thankful for the opportunities they have received through these materials.

Thanks to a Foundation grant, students couldn't stop talking about a snowshoeing unit where they were able to learn about the history of snowshoeing, how to snowshoe, and the lifelong benefits of snowshoeing. While snowshoeing, students said, "This is the best day ever," and "Can we do this all day?" Students were curious about how snowshoes were created and wanted to research animals that snowshoes were modeled after. All because of utilizing one resource, snowshoes, students were able to be imaginative, inquisitive, and problem solvers.

"As a teacher, am so thankful for the Breckenridge Education Foundation Grants that we received. With them, I have been able to make learning come alive!"

4th grade teacher

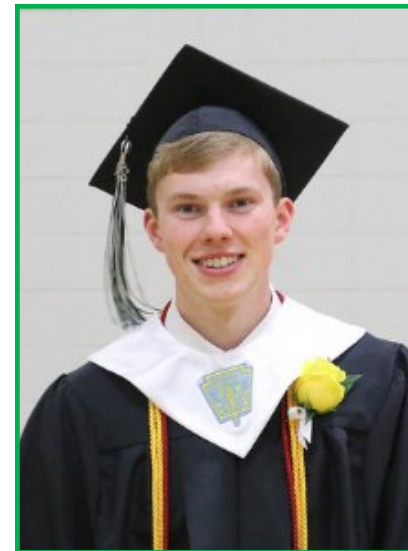

Through grants from the Breckenridge Education Foundation, the Ag department at BHS has been able to upgrade two band saws from the 1960's with brand new band saws. They were also able to purchase a DJI Phantom 4 drone. The students really love being able to have the opportunity to work with this modern technology!

SCHOLARSHIP BRECKENRIDGE

ALL graduating seniors of Breckenridge High School **who meet the following requirements** and plan to attend an accredited post-secondary program **receive a scholarship:**

- Volunteer at least one hour of service to Scholarship Breckenridge or to special projects for BHS.
- Complete the scholarship application form obtained from the counselor or school website.

Thanks to the generous support of our community and alumni, Scholarship Breckenridge is able to award \$15,000 - \$20,000 yearly to BHS graduates.

YES, I'd like to help raise the bar in educating the students of District 846!
